Tromsøen, Norway 2
14. IV. 1900.

Dear Sir,

In sending you some papers
on calcareous Algae I want
to call attention to New or critic.
calc. Algae p. 20, where one of the
species you once sent me for
determination (no 23) is described
as a new species, *Lithothamnion*
tenuissimum.

Yours truly
M Fostie
