Dear Sir,

I beg to return you the Duplicate Catalogue you were so good to send me with a mark against such species as would be welcome here, and if you can send me any especially seeds, you will confer a favor. I send by post (the most ready & safe way) a Collection of Seeds and shall be happy to continue interchanges if you are also willing.

Believe me, Dear Sir,  
Yours very truly  
J. A. Henriques Esq. Director Botanic Gardens Coimbra Portugal.
