

ROYAL BOTANIC GARDENS,

KEW, SURREY.

DIRECTOR'S OFFICE.

25 . X . 17.

Dear Sir

In reply to your letter of Sept. 8th we regret to have to inform you that the plant of Podocarpus mannii sent by you to Kew has died.

We hope it may be possible at some future date to obtain another specimen of this interesting species for our collections.

— Da —

Yours very truly

Arthur Hill
