

Karlsruhe, 6. III. 1900.

hochgeachteter Herr!

Ich bin Ihnen sehr dankbar, dass Sie sich
an dem Erstveröfentlichungswerke beteiligen wollen.

Die Kataloge, von denen Sie sprechen, heritige
ich nicht. Aber ich habe aus K. Richter,
Plantae europaeae eine Anzahl Glümaareen
der Pyrenäenhalbinsel notiert u. erlaube
mir, Ihnen hiermit diese Liste zu senden.

Wollen Sie die Güte haben, mir recht bald
diejenigen Arten zu bezeichnen, welche Sie
am wahrscheinlichsten im nächst diesem Jahre
in je 110 ^(gärten u. weidlichen) Exemplaren sammeln können.
Pawies, welche mir am liebsten sind, brauchen
mir in je 90 Ex. gesammelt zu werden; alle
anderen à 110 Exemplaren.

Mit vorzüglicher Hochachtung
Ihr sehr ergebener

Journal

In the afternoon we went to see the
 ruins of the city of Palmyra. The
 ruins were in a very good state of
 preservation. The walls were
 still standing in many places
 and the columns were
 still in their places. The
 ruins were very interesting
 and we spent a great deal
 of time in seeing them.
