Je vous en suis très reconnaissant et j'écrirai vite à Stuttgart où les objets doivent passer pour les faire diriger sur ma nouvelle résidence.

Vous ajouteriez beaucoup à votre obligeance de vouloir bien lever les quelques doutes exprimés précédemment au eragon, de faire annoter à chaque espèce de bois si elle sort de votre jardin ou bien de son pays d'origine et de me renvoyer après simplement cette lettre. J'étudie depuis quelque temps les différences qui se manifestent dans la structure des bois selon leurs diverses provenances.

Veillez agréer, Monsieur le Directeur, l'expression de la sincère gratitude avec laquelle j'ai l'honneur d'être votre très obligeé serviteur
