

Lund, June 10th 1930.

To the Direction of

Instituto Botanico Dr. Julio Henriques,
Coimbra (Portugal).

Dear Sirs,

Herewith I beg to return the examples of Euphorbia lent to me, and at the same time apologize for not doing so before, but my work has been delayed owing to illness.

Original examples of *Eu. Quintasi* Pax and *Eu. benguelensis* Pax were contained in the collection.

May I ask for an acknowledgement of the receipt of the examples.

Very sincerely yours
