

ROYAL BOTANIC GARDENS,

KEW, SURREY.

DIRECTOR'S OFFICE.

22. IX. 17.

Dear Sir

You will be interested to hear that Begonia baccata from S. Thomé, to which you refer in your letter of August 10th 1917, flowered here in 1916 and is again in flower now. The plants were raised from the seed you kindly sent us -

Yours

Yours very truly
