ROYAL BOTANIC GARDENS,
KEW.

The Director of the Royal Botanic Gardens, Kew,
presents his compliments to Prof. J. A. Henriques
and begs to enclose a list of determinations of Gossweiler's
most recent collections so far as they have been determined.
A further list will be forwarded as soon as the remainder of
the collections has been worked out.

The Sapindaceous plant enclosed in Prof. Henriques' letter dated October 31, is Serjania glabrata, Kunth.

January 4, 1915.

Blank page with faint bleed-through text from the reverse side.
