Högälskade Herr!

Hiermit sende ich Ihnen die
Namen der gesendeten Allossen.

Besten Dank für Fissidens
Wielwitschii und Fontin. Duriceni,
nur schade dass Sie mir nicht die
Lokalitäten und die Sammlungs-
zeit nicht mitgeteilt haben,
noch mir gesagt wenn sie sind
Originals! Besonders da unter
F. Duriceni es waren zwei species!

Hochachtungsvoll

My dear Mother

I received your kind letter of the 10th and was glad to hear from you. I am well and hope these few lines will find you the same. I have not much news to write at present. The weather here is very warm and the crops are doing well. I have not much news to write at present. The weather here is very warm and the crops are doing well.

Yours affectionately
